

Global Awareness Tuition Award Application

Application for International Student Applicants

Global Awareness is a Dickinson State University initiative to promote international learning and provide a cross-cultural experience for students and the campus community. This initiative provides substantial award for qualified and dedicated international students who desire to study at a progressive, student-centered American university.

Students meeting the established criteria will be granted awards equivalent to fifty-three percent (53%) of the out-of-state tuition rate. This scholarship is only applied to classes taken on the Dickinson State campus. It does not cover distance education tuition, including directed study courses, internships, and on-line courses. With the Global Awareness Tuition Award, the international student pays approximately the same amount as the North Dakota resident tuition and fees.

Students applying for the Global Awareness Tuition Award must have a paper-based TOEFL score of 525 or above (Internet based TOEFL 71 or higher or IELTS 55 or higher) and must have demonstrated academic excellence in their previous schooling.
